

Email Fundraiser **HOW TO SIGN UP**

Step One: Create Account

- a) On your smart phone, go to your browser and type this URL address in:
now.run
- b) Click the blue box that says Sign Up
- c) Enter your birthdate, email address and a password, and type in your organization name – **2023 Venice HS Football Team Fundraiser**, then select “Join”

Step Two: Follow the step by step Share Wizard

- a) Upload your photo (headshot) to be used on website
- b) Enter your Mom, Dad and / or Guardian email address(s)
- c) If you have your emails copied in your notes or an email, copy all 20 then paste them into the box provided and select “submit”. If you have your emails written down, select “Switch to Single Entry” and enter them one at a time, then select “submit”.
- d) See Step Four to learn **HOW TO ADD EMAILS LATER ON**
- e) Share on Facebook
- f) Share on Twitter
- g) Once in the “Promote via Text” page, click on the green **Send Text Now** button and select all the numbers in your phone who you want to share the fundraiser with and then send the text.
***** Make sure to continue adding emails, sharing on social media and by text message throughout the fundraiser. The more you share the more money raised for the program.**

Step Three: Get your parents involved tonight!

- a) Your parents will have received an email letting them know your required number of emails and texts for this fundraiser and how many you have entered today. It is imperative that you get with them tonight and make sure they follow the link in that email and share your fundraiser on their Facebook as well.
- b) Have your parent(s) place an order or donation for your family.

Step Four: Things to know after signing up
